

# How Do You Bee?

## Student Worksheet: Pod to Blossom

Directions: As you take weekly walks through your bog, record the number of blossoms and pods you see. Then express the comparison of blossoms to pods and blossoms as a fraction and as a percent.

Walk Number	Total number of blossoms	Total number of pods	Total number of pods <i>and</i> blossoms	Fraction of blossoms to total number of pods and blossoms	Percent in blossom
<i>Example 1</i>	0	5	5	$\frac{0}{5}$ blossoms pods + blossoms	0%
<i>Example 2</i>	2	8	10	$\frac{2}{10}$ blossoms pods + blossoms	20%
